

RANI CHANNAMMA UNIVERSITY, BELAGAVI-591156

Advt. for JRF under BRNS/DAE sponsored Research

Applications are invited from eligible candidates for one post of Junior research fellow (JRF) with monthly fellowship of Rs. 31000/- for two years and Rs. 35000/- on redesignation as SRF for third year with admissible HRA and medical allowance under the research project titled '**Fusion Reaction Studies with Weakly Bound Nuclei**' sanctioned by Board of Research in Nuclear Sciences (BRNS) /Department of Atomic Energy (DAE), Govt. of India.

The research work involves nuclear physics experiments at BARC-TIFR Pelletron accelerator facility, Mumbai. It requires training in nuclear instrumentation, data analysis and theoretical model calculations. Candidate need to work in the Department of Physics, Rani Channamma University, Belagavi and also at the Nuclear Physics Division, Bhabha Atomic Research Centre (BARC), Mumbai.

Interested candidates with first class in M. Sc Physics are eligible to apply (NET/SET/GATE/JEST qualified candidates are preferred). Candidates can send their CV along with contact details to Dr. Bhushan A Kanagalekar, Principal Investigator, Department of Physics, Rani Channamma University, PB road, NH- 4, Belagavi – 591156, Karnataka (Email: [bhushanak79@gmail.com](mailto:bhushanak79@gmail.com); Ph: 9483416432) by email or post before the last date, **10-10-2019**. The appointment is purely on temporary basis subject to financial sanction by BRNS/DAE.
