LAB ASSISTANT - MOUSE GENOME ENGINEERING FACILITY –

Mouse Colony Management and Genotyping Team.

www.ncbs.res.in/research-facilities/acrc

Institute for Stem Cell Science and Regenerative Medicine (www.instem.res.in) is an Autonomous Institution under the aegis of Department of Biotechnology, Government of India invites applications for the post of **Lab Assistant to join its Mouse Colony Management and Genotyping Team on contract basis.**

Institute for Stem Cell Science & Regenerative Medicine (inStem) along with National Centre for Biological Sciences (NCBS) & Centre for Cellular and Molecular Platforms (C-CAMP) forms the Bangalore Bio-cluster. At an appropriate point, the incumbent may be entrusted the responsibility of overseeing the management functions of the cluster institutions.

If you are interested in being part of a team designing and maintaining new laboratory mouse models for biomedical research applications. This job might be for you.

Qualification & Experience:

BE/B.Tech/M.Pharma/Masters in biological sciences with prior experience in molecular biology.

Excellent English communication, record keeping, database management, and organizational skills are essential.

Prior experience in handling and working with laboratory mice is desirable.

Job Responsibilities:

- Manage the breeding programs of specific laboratory mouse strains as per client experimental needs.
- Collect biopsies and Genotyping of laboratory mice.
- Maintain rigorous records of breeding schedules and production outcomes.
- Provide clear, organized weekly reports on colony animal health status, production efficacies and genotyping results.
- Preparing animals & corresponding documentation for shipment to client facilities.

Pay Scale:

As per Govt. norms based on experience and qualification

Age limit: Below 35 years as on 01-03-2022

Mode of Applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

Application Fee: Nil

The Last date for receipt of ONLINE applications: 28th April, 2022

HOW to apply: Please carefully read instructions below:

To apply for the position, interested candidates may log into inStem website – Careers—Open positions (<https://www.instem.res.in/jobportal/>)

Candidates **MUST** send an updated **CV/Resume AND a MANDATORY one-page COVER LETTER** written by the candidate describing your background and the reason and interest for applying to this position.

Please note that candidates applying without a proper cover letter will **NOT** be considered.

Incomplete applications shall be summarily rejected and no correspondence in this regard shall be entertained.

Applicants can email acrcinfo@ncbs.res.in in case of any issues encountered during the application procedure.

Note: No selection will be made if suitable candidates are not identified.
