

INSTITUTE FOR STEM CELL SCIENCE AND REGENERATIVE MEDICINE
(an Autonomous Institute of the Department of Biotechnology)
GKVK Campus, Bellary Road, Bangalore-560065

Advertisement No. inStem/3/2022

The Institute for Stem Cell Science & Regenerative Medicine (www.instem.res.in), Bangalore is an autonomous institute of the Department of Biotechnology, Government of India. inStem's mandate is to establish collaborative research programs in the field of stem cell biology, regeneration and repair in development and disease and with translational emphasis. In order to develop strengths in focused areas, research at inStem is programmatic, and is driven through collaborative inter-disciplinary themes, addressing questions, which are beyond the scope of a single laboratory.

The Institute invites Online Applications from eligible and interested candidates on Direct Recruitment failing which by Deputation/Absorption. The Institute has openings at the level of Scientist G. The appointment will be to a theme at inStem. Details on the themes is available on the website (<https://www.instem.res.in/>).

Sl	Post Code	Name of the Post	Level in Pay Matrix (as per 7 th CPC)	No. of Post	Category
1	03/2022	Scientist- 'G'/ Professor	Level-14	1 (One)	UR

Mode of applications: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

Important Note: The Institute reserves the right to withdraw/cancel the advertisement at any stage of recruitment process and may keep any of the advertised vacancy/vacancies unfilled.

Position Details: A complete application will include a well-articulated research program plan that closely aligns and synergises with ongoing research in the themes, accompanied by a CV and a cover letter clearly outlining their research accomplishments and the intersections of their future research with a particular theme. Incomplete applications will not be considered. Applicants may engage with theme coordinators as they develop their research plans, to ensure their alignment with the goals of the theme[s]. Research programs that span more than one theme will be considered. However, the integration, if spanning more than one theme, must be clearly explained and justified. Applicants must be able to demonstrate scientific leadership. Alignment of the applicant's research program with the overall trajectory of themes is a key criterion for consideration and shortlisting. Interdisciplinary and collaborative research with translational emphasis and disease relevance is strongly encouraged. Accomplishments in advancing institutional goals and service activities will be given weightage. Investigators are expected to apply for grant funding but in the first instance, initial support is provided.

Compensation/ Pay Details: The post carries the Pay Level-14 (Starting Basic Pay ₹ 1,44,200/-) in the pay structure of 7th CPC Pay Matrix and other benefits which include Dearness Allowance, House Rent Allowance (in lieu of accommodation), Transport Allowance, Children Education Allowance, Leave Travel Concession, Medical Facilities as per Govt. of India Rules. The selected candidate will be covered under National Pension System (NPS).
